Join other designers in New York City for the very first comprehensive event of the design industry!

For the very first time, speakers from all areas of design ranging from web to products, graphics, sustainability, social responsibility will be giving talks and presenting workshops for its participants. It is the chance of a lifetime to have so much knowledge and experience packed in just two full days.

Workshops and sessions with industry leaders will share their experience and points of view about design. It is your chance to pick their brain in break-out discussions.

## GUEST SPEAKERS:

Tim Brown

Phil Starck

Ron Arad

Paula Scher

Isaac Mizrahi

David Carson
